BRIEF ABSTRACT OF LETTER.

Submits proposals for the revision of the pay and prospects of the Sanitary Inspectors and market establishments for sanction of Govt.

NOTES AND ORDERS.

1) Revision of Sanitary Inspectors:

Increments are proposed for all Sanitary Inspectors except Mr. V. Krishnaswami Pillai, who is already drawing Rs 20/- more than maximum sanctioned by Govt in G.O. No. R 16674-95/ME 184-16-23 dated

2) The pay of B. Swathanarayan, is proposed to be increased to Rs 54 from Rs 40. which will be an increase of Rs 14 at one stretch. ~~& with 2 annuals in between~~ According to the new Recent order, a Sanitary Inspector can draw Rs 54 only after the completion of 15 years' service. But the present proposal will result in the Sanitary Inspector getting this increment within 14 years service, once he joined service early in 1906; this means he gets his increment ~~of~~ one year in advance and an increment of Rs 14 for 8 years ~~should~~.

Find opinion on this point is not quite clear - Whether he should be given Rs 50 or Rs 54/- in for orders. Ltr

3) The case of Jayaraja is peculiar. No information is available about his entry into service, but that he was drawing Rs 40 from 1914 is given. His pay is proposed to be increased to Rs 50. Ordinarily a Sanitary Inspector will get Rs 50/- after 14 years service

4) The pay of Eroor also is proposed to be raised to Rs 50/- from Rs 40, which he got only in 1916 - an increase of 10 Rs for three years. But he has served for 21 years in various capacities. But according to the recent order re: Sanitary Inspectors 21 years service will fetch him more than Rs 60/- But

NOTE—Contn. sheet.

he was made a sanitary Inspector only in 1916.

5) The minimum pay of the Sanitary Inspector is proposed for S. Krishniah who has already done 5 years' service and the probationary period of 2 years is proposed to be exempted.

6) B Sreenivasa Rao who was a vaccinator to start with, is now reported to have learnt Sanitation work so is proposed to be given Rs 30/- with the usual probationary period. But his qualification for doing the duties of a Sanitary Inspector are not known.

2) Market Establishment.

7) Mr. J.A.R David, the present market Sergeant is proposed to be included in the Cadre of Sanitary Inspectors. The grade proposed 60-4-80. does not correspond with the sanctioned grade $60-\frac{5}{2}-80$. It is a point for orders whether a market Sergeant can be included in the list of Sanitary Inspectors.

8) A grade of Rs 30-2/-50, is proposed for Sawfangi Naidu,

the present Bill-collector on Rs 25/- His designation is also proposed to be changed into that of Market Sergeant. He is also to be placed in the cadre of Sanitary Inspectors.

4) S. Venkataramiah and Abdul Kareem are getting Rs 15+5 each and they have not shown satisfactory progress. Yet their pay is proposed to be increased to Rs ~~20+5~~ 15-1-20 +5

5) The market and slaughter-house establishments were sanctioned in Jan 19 The present proposal involves an extra expenditure of Rs 50 per month or 600 per annum. The cost of the establishment will result in an increase of 1·07% or 9·52% of the amount collected by the Market establishment. The Sanitary Board can bear this extra expenditure.

6) Submitted for orders.

30/12. 7) Has the proposition statement been verified by the Comptroller? If not, is it not necessary that it should be? There is an order about it issued by Govt. giving the benefit of the new scheme to old Govt. Servants. That may be noted here also.

19) The Salary Board have proposed an increase of Rs at one sheaf to the Salary Assistant Awathamarayan. This increase can not be sanctioned as the recent G.O. in the matter fixes Rs 10/- as the maximum increment that can be sanctioned at one time though he has put in more service than his junior Jayaraja, to whom it will get Rs 50, irrespective of seniority.

The Places of these Inspectors according to the G.O. of 24th June 1919 will have to be fixed. The President's proposal is to fix it in one case from 1-11-19 and in three other cases from 1-9-1919. The point for consideration is what ~~amount~~ number of increments may be given to these Inspectors to 24th June 1919.

2) As regards the proposal to raise the pay and status of the Market Establ[illegible] no particular date is mentioned. The proposal is to include some of these in the Status of ~~Sub~~ Sanitary Inspectors, and so the promotions proposed may take effect from 24th June 1919.

3) There is no provision in the Budget for these items, so the extra cost will have to be met from the savings in the ~~Medical~~ Sanitary Board Budget.

4) As regards the consulting the Finance Dept, it is not like as these increments, i.e. those with regard to Sanitary Inspectors, have been given according to the G.O. of 17th January 1920 and as the Financial Branch was

consulted before the order was passed, a fresh consultation appears to be not necessary.

2b) With regard to the increments proposed in the Sanitary Dept., it is noted that six persons are proposed for the Sanitary Inspectors' places, whereas there is provision for 5 places in the budget. The sixth place is proposed in the case of B. Sreeniwasa Rao and he is a vaccinator doing duty as Sanitary Inspectors and it is proposed to include him in the new scale.

2c) The President's present proposal includes the revision of the Market and Slaughterhouse Establishments and inclusion of some of these in the cadre of Sanitary Inspectors. It is a point for consideration whether in view of the special qualifications required for Sanitary Inspectors, the Market Establ- may be included in the scale of Sanitary Inspectors or whether the revision of the Market Establ may be

Moreover the expenditure on account of 4 peons and an allowance of Rs 10 (Rs 50/- in all) is of a temporary nature the same having been sanctioned for 3 years from 1st July 1917. The inclusion of this Establ in the proposition statement has the effect of making this Establ a permanent one ~~along with the~~ under grades.

28) Regarding the Sanitary Inspr^s

B Aswathanarayan, Jayaraja and Esup Ali can be started on 54, 48 & 46 Rs respectively from the date of the Govt order (24 June 19) reckoning the pay from the number of years put in by them on 40 Rs. But the first case only

(29) Regard the other two Sanitary Insp^rs Abishiah & B. Srinivasa Rao the recommendations of the Board are in order and may be approved.

(30) The Proposals of the Board regarding the Market-Slaughter house Establishments may be perhaps sanctioned as exhibited in the proposition Statement. Draft order will be put up after approval or other orders.

(32) The Market Serjeants & Bills & Slaughter House Establishments Collectors / can not be brought into the Cadre of Sanr Inspectors, as proposed simply for the purpose of giving them the benefit of the increased pay. (33) I agree in the above view. The Market Sergeants the bill Collectors & the Slaughter House staff cannot possibly be brought into the Cadre of S. I. There is absolutely no justification for it. If their salaries require to be enhanced, it is open to the Bd to submit a separate reference in the matter for the orders of Govt. As regards allocation, it is desirable it should be finally dealt with by Fin. Dept at this stage. It may be done now.
